

Reliable and hassle-free transport from Singapore to Legoland Malaysia

LEGOLAND MALAYSIA, HELLO KITTY LAND, JOHOR PREMIUM OUTLET

Whether it is for the holidays or a vacation, Johor is an excellent choice for a short getaway! Popular tourist spots in Johor include Legoland, Hello Kitty Land, Johor Premium Outlet, Johor Bahru town and Desaru Beach resorts.

Unless one drives, taking public transport to popular Johor tourist attractions could be a daunting process with almost no direct connection. Passengers must be prepared to hop on and off several buses under the sweltering heat and humid of tropical weather.

The biggest hurdle of travelling to Johor however is passengers boarding buses and vans (regardless of public or private) as required by law to disembark at Singapore and Malaysian Customs and Immigration with their luggage in tow for custom clearance and immigration. Situation could get more unpleasant during peak hours due to thousands of Malaysian shuttling daily to Singapore to work or study. Buses are often packed and the movement of traffic is slow during peak hours.

Therefore Johor Transport is pleased to provide these services:

- 1 Way Trip – Pick guests from door step in Singapore to destination in Johor. No return trip.
- 2 Ways Trips – Pick guests from Singapore to Johor plus return trip.
- 10 hours Tour – Pick guests from Singapore to Johor plus return trip. Driver is on standby and fetches guest to any destinations as instructed. This schedule is suitable for guests with multiple destinations.
- Customized schedule as per guests' requirement.
